

**The Millennium Project**  
Global Futures Studies & Research

# The Millennium Project Planning Committee Polish Node - activities update XII 2021

## Programme activities

Next generation RTD platform 4CF HalnyX® for TMP  
- pilot implementations underway;

Collaboration with node chairs in a recent labor market study;

Hosting two time slots during March 1st World Future Day: (Round-the-World 24-Hour Conversation on the Future)

## Programme activities (continued)

Coming soon:

Presentation of our **new platform for online foresight workshops** - a novel type of real-time collective intelligence tool designed for ideation, development and analysis of scenarios, brainstorming and much more.

Refined and updated version of the **4CF Matrix** - a quick and effective tool for comparing strategic alternatives, proven in many projects.

Did you know?

You can print and use our **4CF Stranger Futures®** board game free of charge in non-commercial projects!

## Promotional and community activities

- » Centennial Debate about Science-Fiction and Futures Studies with 4CF's Kacper Nosarzewski (Poland), Karlheinz Steinmueller (Germany) and Thomas Lombardo (USA) in June 2021 - transcript will be published soon;
- » Increased media presence and coverage in 2021;
- » First attempts at fundraising for AGI programme in Poland and United Arab Emirates (joint effort with Ibon Zugasti in October 2021);
- » Testimony for online fundraising campaign in November 2021;
- » Continuous support of TMP's online presence through website hosting and co-webmastering.

## 2021 project highlights
